**WORKSHOP**

CLC will pay \$0.25 per mile for travel to and from the workshop based on the completion and submission of the provided “Mileage Reimbursement Form”.

---

**COMPLIANCE VERIFICATION REPORT (CVR)**

In order to qualify for sponsorship funding, a minimum of one “Lesson Plan” from each of the three “Components” must be completed and evidence thereof submitted. The (CVR) must include (1) activity picture along with a one paragraph description of your classes’ activities for each “Lesson Plan” completed. This report is due to [jfjustice@setel.com](mailto:jfjustice@setel.com) no later than (7) calendar days prior to the scheduled “Museum Invasion” date. **Any school carrying out their *Museum Invasion* without submitting their CVR will be subject to the loss of their sponsorship funds, and subsequently their school will be invoiced for the cost of the program.**

---

**TEACHER CURRICULUM EVALUATION (TCE)**

The completed (TCE) form is due (postmarked) no later than thirty (30) calendar days after your classes’ “Invasion” of the Mars Museum. (Mail to: Karen Hamilton, c/o Whyne Supply Co., 359 So Lanks Br. Rd. Pikeville, KY 41501)

---

**STUDENT TEAM CURRICULUM PRE/POST TEST (STCT)**

The completed (SCT) is due (postmarked) no later than thirty (30) calendar days after your classes “Invasion” of the Mars Museum. (Mail to: Karen Hamilton, c/o Whyne Supply Co., 359 So Lanks Br. Rd. Pikeville, KY 41501)

---

**STUDENT WORK SUBMISSION (SWS)**

Copies of students’ work resulting from the completion of section (C-3) of the “Curriculum” is requested within thirty (30) calendar days after the “Invasion”. (Mail to: Karen Hamilton, c/o Whyne Supply Co., 359 So Lanks Br. Rd. Pikeville, KY 41501)

---

**NEWSPAPER ARTICLE (NPA)**

It is recommended and requested that a newspaper article be submitted to your local newspaper giving your students, school, and sponsors proper recognition. If an article is submitted please e-mail a copy to [jfjustice@setel.com](mailto:jfjustice@setel.com)

# **NEWSPAPER FORMAT**

## **For**

### **“MARS INVASION 2030- FROM COAL CAMP TO SPACE CAMP”**

Please include the following in your newspaper article:

- Your school’s name;
- Participating teachers names;
- Number of students participating;
- Group picture of participants; (If more than 34 students, please split students in equal groups so each will be seen better in the newspaper.)
- Make note that it is a fourth grade program;
- Name of the program “Mars Invasion 2030-From Coal Camp to Space Camp”;
- Purpose of the program – ( To show how the disciplines of science, math and technology are applied in both space science and coal mining and how similar many of the job duties are for astronauts and coal miners);
- Mars program created and developed through a partnership between The Challenger Learning Center of KY, located in Hazard and CEDAR, Inc. (Coal Education Development & Resource);
- List lessons covered and describe various classroom activities of each;
- Summarize your classes’ Mars Museum Invasion experience (including the ending video between the astronaut and coal miner);
- State the most important aspect of the program and how it benefited your students;
- Any other information you deem pertinent to your classes’ participation in this program;
- ACKNOWLEDGE AND THANK YOUR SPONSOR!!!!**

**\*NOTE\***

Please forward article to [ifjustice@setel.com](mailto:ifjustice@setel.com) for review prior to submitting for publication.
